Re: **Notice of Status Conference on Thursday, May 5, 2022. Docket No. 2018-0163, In re Public Utilities Commission**, Instituting a Proceeding to Investigate Establishment of a Microgrid Services Tariff.

In accordance with Order No. 38293, "(1) Prioritizing Issues for Resolution in Phase 2 of this Docket and (2) Establishing a Phase 2 Procedural Schedule," filed on April 1, 2022, the Commission will hold a Status Conference with the Parties to discuss the Working Group's progress toward completing the requested work products for Phase 2 of this docket. The Status Conference will be held on **Thursday, May 5, 2022, from 9:30 AM - 11:00 AM Hawaii Standard Time**, and will be hosted virtually on the Commission's WebEx platform.

At this Status Conference, the co-chairs of the Working Group will provide a status report, either written or as a presentation, on the Working Group's progress towards completing the requested work products. The status report will be made a part of the docket record. In terms of content, the status report may be brief and should, at a minimum, detail the Working Group's progress so far and summarize unresolved issues and challenges, if any. The status report can also include requests from the Working Group for guidance from the Commission on a particular issue and/or specific questions for the Commission. The Working Group should also be prepared for more detailed discussion and/or documentation, if requested by the Commission.

An agenda for the Status Conference is enclosed. Any presentation materials that the Working Group intends to use at the Status Conference must be e-mailed in advance to Commission Staff and all docket parties by **Tuesday, May 3, 2022**. The Working Group should also plan to file its Status Conference materials in the docket immediately following the Status Conference.

All interested participants may join the conference as follows:
