Attention: Noa K. Ching, Esq.

Dear Commissioners and Commission Staff:

This is in reference to the letter filed on April 21, 2022 in the subject docket, whereby Applicants' respectfully requested an enlargement of time until Tuesday, May 3, 2022 to submit the replies to the Statements of Positions filed in this docket. The Consumer Advocate, Life of the Land, and Hawaiian Electric Company, Inc. are e-signatories to this request as either approving or not opposing Applicants' request. Unfortunately, the Hawai‘i State Energy Office ("HSEO") was inadvertently omitted as an e-signatory to this request despite its intent expressed to Applicants to be such a signatory.

Applicants are therefore providing as Attachment A to this letter a corrected request to the Commission for an enlargement of time until Tuesday, May 3, 2022, to submit the replies to the Statements of Position, with each of the Consumer Advocate, HSEO, Hawaiian Electric Company, Inc., and Life of the Land indicating as e-signatories that they have each confirmed that they approve or do not oppose Applicants' request.

RE: Docket No. 2021-0098: In the Matter of the Application of Macquarie Infrastructure Holdings, LLC, The Gas Company, LLC dba Hawaii Gas, and AMF Hawaii Holdings, LLC For Approval of the Transfer of Upstream Membership Interests and Related Matters: Request to Enlarge Remaining Procedural Deadline Date

Dear Commissioners and Commission Staff:

On March 17, 2022, the Division of Consumer Advocacy ("Consumer Advocate") and the docket participants (the Hawaiʻi State Energy Office, Hawaiian Electric Company, Inc., and Life of the Land) each filed their Statement of Position in the above-referenced docket. Pursuant to the current regulatory schedule established by Procedural Order No. 38035, replies to the Statement of Positions are currently scheduled to be filed by April 21, 2022.

Applicants respectfully request an enlargement of time until Tuesday, May 3, 2022 to submit the replies to the Statements of Positions. In doing so, Applicants note that they have been working actively and closely with the Consumer Advocate and have just reached a settlement in principle on the matters raised in the Consumer Advocate’s Statement of Position. However, in reviewing current workload issues and demands, including upcoming matters in several key Commission proceedings, additional time is needed by the Consumer Advocate to work with Applicants to complete documenting the terms of the settlement, which if so finalized, they intend to submit as a stipulation in lieu of Hawaii Gas submitting a formal reply to the Consumer Advocate's Statement of Position. Applicants are also working with the Hawaiʻi State Energy Office ("HSEO") to seek to resolve as many of the points raised by HSEO in its

Statement of Position, which if so resolved, would be documented either in a formal reply or through a stipulation in lieu of a formal reply to the HSEO's Statement of Position. The Applicants and HSEO believe that they will reach agreement on most if not all these points within this same period.

Applicants assert that that there is good cause to approve this request because this additional time is expected to lessen the number of disputed issues in this proceeding, which should in turn lead to the efficient use of resources and administrative efficiency by providing the Commission with less disputed issues and conflicting positions that it may have to decide and rule upon and potentially result in a more expedient decision in the subject docket.

In connection with the above, Applicants respectfully request to enlarge the remaining procedural deadline date, as follows:

Applicants have discussed this request with the Consumer Advocate, HSEO, Hawaiian Electric Companies, Inc., and Life of the Land and they have each confirmed that they approve and/or do not oppose said request.
