DOCKET NO. 2021-0098
ORDER NO. 38342

GRANTING THE APPLICANTS’ LETTER REQUEST FOR ENLARGEMENT OF TIME

By this Order, the State of Hawaii Public Utilities Commission ("Commission"),¹ based on good cause shown, grants the

¹The Parties to this docket are THE GAS COMPANY, LLC dba HAWAII GAS ("Hawaii Gas"), MACQUARIE INFRASTRUCTURE HOLDINGS, LLC ("MIH LLC"), AMF HAWAI HOLDINGS, LLC ("AMF Hawaii") (collectively Hawaii Gas, MIH LLC and AMF Hawaii are referred to as the "Applicants"), and the DIVISION OF CONSUMER ADVOCACY ("Consumer Advocate"), an ex officio party, pursuant to Hawaii Revised Statutes § 269-51 and Hawaii Administrative Rules § 16-601-62(a). In addition, the Commission has admitted LIFE OF THE LAND ("LOL"), THE HAWAII STATE ENERGY OFFICE ("HSEO"), and HAWAIIAN ELECTRIC COMPANY, INC. ("Hawaiian Electric") as Participants pursuant to Order No. 38015, "Addressing Motions to Intervene or Participate and Instructing the Parties and Participants to Submit a Stipulated Procedural Schedule," filed on October 8, 2021. Collectively, LOL, HSEO, and Hawaiian Electric are "Participants". The Commission notes that pursuant to Order No. 38102, "Approving the Gas Company and Macquarie Infrastructure Holdings, LLC’s Motion for Substitution of Party-Applicant," filed on December 2, 2021, a party-Applicant
Applicants' letter request for an enlargement of time, filed on April 21, 2022 ("Enlargement Request"). Accordingly, the remaining procedural deadline is now: May 3, 2022, for Applicants to submit replies to the Consumer Advocate's and the Participants' Statement of Positions.

In support of its Enlargement Request the Applicants state:

[T]hey have been working actively and closely with the Consumer Advocate and have just reached a settlement in principle on the matters raised in the Consumer Advocate's Statement of Position. However, in reviewing current workload issues and demands, including upcoming matters in several key Commission proceedings, additional time is needed by the Consumer Advocate to work with Applicants to complete documenting the terms of the settlement, which if so finalized, they intend to submit as a stipulation in lieu of Hawaii Gas submitting a formal reply to the Consumer Advocate's Statement of Position. Applicants are also working with [HSEO] to seek to resolve as many of the points raised by HSEO in its Statement of Position, which if so resolved, would be documented either in a formal reply or through a stipulation in lieu of a formal reply to the HSEO's Statement of Position.

---

2021-0098 2
The Applicants and HSEO believe that they will reach agreement on most if not all these points within this same period.

... ...

Applicants have discussed this request with the Consumer Advocate, HSEO, [Hawaiian Electric], and [LOL] and they have each confirmed that they approve and/or do not oppose said request.
